Chinese spouse violated the law of the epidemic prevention from home then get the penalty of about fifteen hundred thousand, the Chiayi branch seize her house, lands, stocks to pay off the penalty

The government of Chiayi county against the first violation epidemic prevention from the home case of 2020 to fine fifteen hundred thousand, After the Chiayi Branch, Administrative Enforcement Agency investigates the property, sells stocks, and seizes the real estate, the Obligor pays in installments every month, finally, a few days ago she pays off the penalty.

65 years old woman whose first name is Xiao born in China, March 23th, 2020 entry into Taiwan from

Fujian, China. She should follow the rule to quarantine for fourteen days, but she goes out many times during the fourteen days of quarantine and gets discovered, Chiayi county government punishes her to pay fifteen hundred thousand. Her bank account got lockdown and stocks sold out immediately after The Chiayi branch take the case, but that's still not enough to pay off the penalty, so the Chiayi branch seizes her real estate too. Officers go to Xiao's house to perform the enforcement task, she said she is a Chinese spouse and her husband is gone, doesn't have any money to pay off the penalty. ut even Xiao doesn't have money, she still has to pay the penalty, so she can pay in installment eight thousand NT dollars every month.
