The Branches of the Administrative Enforcement Agency of the Ministry of Justice (AEA) held the joint auction held on the “first Tuesday” of every month, starting at “3” p.m. on June 3. As the Dragon Boat Festival holiday came to an end, the Grain in Ear solar term brought the harvest. The auction sites were bustling with people. The auction items included everything from real properties, ships, cars and motorcycles, physical stock certificates, to various fine products. The auction attracted enthusiastic bids from the general public and the total auction amount reached NT\$90,849,492, which was a fruitful result. In addition, AEA also continued to actively implement the Executive Yuan's "5A7S" policy, and adopting the Ministry of Justice's mechanism for returning stolen items from criminal activities, fully cooperating with the prosecutors' offices to entrust the auction of illicit proceeds, demonstrating its determination to combat lawlessness and protect a stable and just society with actions.

The total bid amount of real properties reached NT\$58,784,024. The highest auction price was NT\$14,401,000 from a building on Changchun Road, Zhongshan District, Taipei City, which was auctioned by the Taipei Branch. The building was originally a hotel, and although it has no utility supply and the surface of walls and ceilings is peeling off, its location close to the Taipei Regent Hotel and Showtime Cinemas with convenient transportation and good living functions, as well as bustling surrounding business districts

make it a feature potential of attracting large crowds of visitors and consumers consumption and it was successfully auctioned at the second auction. The New Taipei Branch auctioned a building on Zhongzheng Road, Zhonghe District, New Taipei City. The building was built about 27 years ago with a total area of about 51 pings. It is close to the Zhonghe Interchange of National Highway 3, the Zhongyuan Station of the MRT Circular Line and the GlobalMall. This was the third auction with an upset price of NT\$11.5 million. In addition, the Yilan Branch auctioned the portion of joint ownership of land of a debtor surnamed Shen, who owned a large arrear of transportation laws, in the Baiyun section of Jiaoxi Township, Yilan County for NT\$5.8 million. The debtor owed 691 entries of vehicle license tax, tolls, traffic fines and NHI premiums, totaling more than NT\$700,000. Through this auction, all the debts can be paid off and the remaining balance will be returned to the debtor.

The total amount of property auctioned reached NT\$32,065,468. Among them, the highest auction price was NT\$16.875 million from the 450,000 shares of Zhonghe Textile Co., Ltd. owned by the deceased surnamed Yeh, which was auctioned off by the Changhua Branch. The most eye-catching auction was the "Jinyumanhao" fishing boat seized during the investigation, which was under the entrustment of the Tainan District Prosecutors' Office. The fishing boat sailed to the sea areas of Pratas Island in February 2025 and received 402 kilograms of marijuana from a Thai drug lord's ship on the high seas. The marijuana was seized in the secret cabin of the fishing boat after being intercepted and investigated by the Coast Guard Administration of the Ocean Affairs Council. The case is currently under investigation by the District Prosecutors' Office. The total tonnage of "Jinyumanhao" is 53.37 tons, the length is 20.23 meters and the width is 4.6 meters.
